

**SPRING-FORD AREA SCHOOL DISTRICT  
CHILD CARE/DAY CARE TRANSPORTATION REQUEST FORM  
CURRENT SCHOOL YEAR 2017-18**

**This form is to be used when a student will be at a location other than their residence when at a Child Care Center. The District will only transport to the Child Care Centers within the school's attendance boundary that the child attends. If your Child Care Center is within the walking boundary of the attending school, student is classified as a walker. (A list of the Child Care Centers for each attendance boundary can be found on the Website under "For Parents" in the "Day Care Programs".**

**Please remember arrangements are for every school day during the current school year. Before school pickup location can be a different location from the after school drop off location. Requests which are occasional rather than regular or involve only a portion of a week will not be approved. Alternate arrangements for any reason are the responsibility of the parents.**

**This request EXPIRES at the end of each school year. The form is to be submitted each year before the end of JULY. Submit this form to the attending school and allow seven days for processing. If submitted during the school year, the attending school will contact the parent with the start date and bus information once the request has been approved and the transportation is in order.**

**\*\* No more than 3 requests for change in location for child-care arrangements will be granted per school year. \*\***
